Messrs. J. G. Snow and A. F. Dahl of the Raymond Local Board met the School Committee and recommended that the County sell a portion of the Raymond School grounds, 75' x 100', to the L. D. S. Church for a site on which to erect a seminary building. The Secretary was instructed to refer the question to the Department of Education.

They also asked that the Council appoint a committee to meet with that Local Board and inspect two garages in the town of Raymond with the possibility of purchasing a building in which shop, etc., can be taught.

The Raymond Auto Service Ltd., under the proprietorship of Lloyd Dahl, held a grand opening party on Saturday, which featured the Firestone Treasure Chest of prizes. 700 keys were distributed to the people of Raymond and district, with 25 of them opening the Treasure Chest, which entitled the owner to one of the prizes, which included a set of Revere ware, a pressure cooker, a bun warmer, several television tables and miscellaneous prizes. Happy were the fellows who got in on the "treasure hunt" and happy were the first 100 ladies to arrive at the station for they received a beautiful orchid. And the young fry, not forgotten, were pleased to get pop and candies.

About 700 people visited the station during the day with many out-of-town visitors.

The place, under the direction of Doug Sykes, the Texas territory man, was gaily decorated with bright red and green streamers, which added a note of holiday to the occasion.

The management and staff of the Raymond Auto Service wish to thank all who attended and would like the opportunity of giving future service.

The 2nd Ward Priests Quorum held a fireside meeting Sunday at the home of Mr. and Mrs. L. L. Duncombe with a good number of boys present. Special guests were Bishop and Mrs. Alma Evans Mr. and Mrs. Raymond Jensen.

The meeting got underway with Brian Gough in charge. Talks by Warner Attwood and Dale Christensen with Bishop Evans, guest speaker, were greatly enjoyed.

The evening concluded with a lovely lunch served by the hostess

## Rotary Ad Ball Again Successful

The Second Annual Rotary Advertisers' Ball held on Saturday night got the busy festive season off to a very successful start. There was a good crowd in attendance to enjoy dancing and listening to the music of Grant Erickson and his Orchestra, as well as participate in the draws for over \$300 in prizes donated by public spirited local merchants, plus another \$300 in merchandise shared by everyone who entered the door.

Another interesting feature was the giving "Men of the Evening" when hints were given as to the identity of ten well-known citizens. Mrs. Heber Jones received a lovely lapel watch for winning this contest, while Mrs. Ron Watson won the grand prize of a \$50 Savings Bond.

The proceeds from this event will pay for the annual Rotary Christmas Tree Party for the kiddies on Friday, Dec. 23 at 10:30 in the morning.

The Rotary Club wishes to express sincere appreciation to all who contributed to the success of this event.

Two Raymond boys William Renton and Carl Winkler have recently joined the Canadian Army and are presently at Currie Barracks in Calgary prior to being posted.

Mrs. Fanny Litchfield gave a graduation party for the nine pupils of her Sunday School Class who for two years have been under her direction. Special guests present were the 1st Ward Bishopric and the Sunday School Superintendancy.

A nice supper, prepared by the hostess, was enjoyed. Games were played. After a short talk by Bishop Holt each student was given a gift for learning their memory work. They were also presented with diplomas—for being Reverent, which had been beautifully decorated by their teacher Mrs. Litchfield.

## Drama Festivals Draw High Interest

On Dec. 8th, the Raymond Second Ward held their Dramatic Festival which was well attended and enjoyed by all.

Three one-act plays were presented the first was a Book of Mormon Story, taken from the 17th chapter of 1st Nephi and called "I Believe." This was an original play written by Florence Love Palmer and produced by Geraldine Palmer. The second play from the Third Ward, "The Perfect Couple" was delightfully done by a cast of young people, directed by Gladys Hague. The third play, "A Perfect Hideout" under the direction of Peggy Gough, was well acted, it kept the audience in suspense till the very end.

At the conclusion of the plays, the Second Ward Mutual played host to forty-five guests, serving them a lovely lunch.

The Raymond Fourth Ward featured two plays, the first from the Wellington Ward, entitled "Curtain Time" was well-cast with excellent acting under the direction of Mary Hough and Betty Wilde. The second play, "Neighbors Are So Friendly" was very well done and directed by Eddie Baker.

In the First Ward "Courtin' Time" was handled very well with a good cast under the direction of Elsie Mitchell.

The first play in the Stirling Ward was "The Perfect Hideout" which the audience enjoyed very much. The second play "Marie Jevrin" was an amusing comedy written by Gwen Faris, an Albertan author.

Both these plays were very capably done under the direction of Alfred Zaugg with the professional help of Elodia Christensen, who is the President of the Alberta Drama League.

Farrel Oler was responsible for the sound effects and Glenn Adamson was the Stage Manager.

The Mutual officers served lunch at the conclusion of the plays.

This Drama Festival which has been featured in all wards shows amazing and commendable progress. It has indeed grown and given invaluable training and experience to many young people since it was organized 55 years ago.

Lynn Wilde, son of Mr. and Mrs. Ivan Wilde, met with a painful accident recently. When his father started up the motor of a truck, Lynn unknown to his dad, grabbed hold of the vehicle thinking to take a little ride. As the truck gained momentum, the frightened boy decided to let go of the truck and was thrown and rolled over and over suffering bruises and a badly cut knee, which necessitated the taking of fifteen stitches.

The moral of this story is—Boys be careful—Never hang on to cars or trucks when they are in motion and never tie a sleigh on them either. It is just too dangerous.

The Raymond Fire Dept. was called to the scene of a fire Thursday at 3 A. M. when the upper part of an unfinished house was completely destroyed. The basement suit, which was rented, and the belongings of the family were saved and undamaged. Two boarders, asleep in their beds, were awakened by neighbors and escaped through a window.

The house was the property of L. J. Hawkins.

The larger type used in setting some of this paper was an experiment - not a mistake.

Friends of Mr. Harry Robinson will be sorry to know he is ill. He is presently in the Leth. Municipal hospital for observation.

The Friday Nite Club met for their Christmas Party Friday, Dec. 7th at the home of Irene Bowden. The rooms and tables were tastefully decorated in Christmas themes.

Seventeen ladies sat down to a sumptuous turkey dinner which all members had helped to prepare.

Rook was the main game of entertainment for the evening with high score going to Margaret Laqua and consolation to Fanny Litchfield.

Mr. Editor:

In behalf of the group who presented the musical program of Mr. C. F. Tolstrup's compositions, in the Stake House, Dec. 4th, we wish to thank the very complimentary review you gave us. We also wish to thank our many friends for their expressions of appreciation of our efforts. We wish further to thank Eleanor Hudson and Opal Wiegall, for the work they did in preparing the manuscript copies of the chorus and other work they did to help our undertaking be a success.

Thanking you again,

Like many other clubs, the Readers Progress Club held an annual Christmas Party at the home of Eunice Snow who is a very gracious hostess. The rooms were nicely decorated and imparted a festive spirit.

The tables were beautifully set and twenty ladies sat down to a full-course dinner followed, with lovely home made candy. All of which was served and prepared by half of the club members. Next year the other half of the members will do the honors. An exchange of gifts took place and a pleasant evening of visiting ensued.

## Touring The Town With Amy

— Amy Campbell

If you're a shrewd shopper your Christmas parcels were wrapped and waiting long ago, if you're like a few more of us however your eyes are still bright with the excitement of gift buying.

This week we especially noticed a set of Cameo dishes for baking, spread on the Giftshop counter. The Cameo in Glasbake, contrasts classic Grecian figures in white against a background of soft Olympic blue. Housewives can pop the casserole dishes, reddi-mix cake dishes or a utility dish out of the oven and on to the table just like that!

When the weather's bitter and the children are restless give them 150 things to do - all in one book. Games, puzzles, cutouts, riddles and coloring in one of "Merrill's Educational Books" offers hours of amusement. The Pharmacy as a new stock of them on display now.

## Luri Oishi And Roy Nagata Wed

The Raymond Buddhist Church was the scene of a recent afternoon wedding when the Reverend E. Nekoda united in marriage Luri Oishi and Roy Nagata of Calgary. The bride is the daughter of Mr. and Mrs. S. Y. Oishi of Raymond and the groom is the son of Mr. and Mrs. S. Nagata of Calgary. The church was decorated with stately white mums.

The bride was beautiful in a dress of lace over white satin with lily point sleeves, Peter Pan collar and scalloped net yoke set with rhinestones. She wore an illusion net veil which was held in place by a crown. Her flowers were a bouquet of red roses and red rose - buds.

The bridesmaid, Sueko Matsuno was lovely in a pastel pink gown and carried a bouquet of sweet-heart roses. Flower girls were Wendy Gale Nagata of Calgary and Mitzl Oishi who wore pink net dresses.

The best man was Tommy Nawata of Calgary.

For the wedding the bride's mother wore a wine silk dress with black and pink accessories and a gardenia corsage. The groom's mother was dressed in black crepe, matching accessories and a red carnation corsage.

At the reception in the Marquis Hotel in Lethbridge at 5 p. m., the wedding cake, set in a bed of ferns and chrysanthemums, centered the bride's table. Bouquets of colorful chrysanthemums and tall, white tapers flanked the cake while spray mums decorated the guest tables.

Master of Ceremonies was Mr. Kamitakahara of Lethbridge and a son of A. Kamitakahara, proposed the toast to the bride. During the evening a number of telegrams from distant cities in Canada and the U. S. were read.

For her wedding trip to British Columbia and to the State of Washington, the bride chose a navy blue suit with white top coat and navy and pink accessories. She also wore an orchid corsage.

Mr. and Mrs. Nagata will make their future home in Calgary.

Out of town guests were present from Vancouver, Calgary and a number of Southern Alberta centers.

## Dick Kinsey To Head Legion

The annual meeting of the Raymond Branch of the Canadian Legion was held on Wednesday at the Legion Hall with a fairly good turnout of veterans to enjoy the banquet served by Alice Powelson and June West. After the last crumb had been polished off in true military style the election of officers for 1956 was held.

Dick Kinsey will be the new President of the Legion with Ted Wagstaff and Marcel Aneca as Vice-Presidents. Max Hamilton will assume the duties of Secretary and Bob Zobel will be Treasurer.

Mel Dewey, Harry Hall, Bill White, John Navratil, Lawrence Babb and Jack Ralph are the new Directors and George Haugen is Sgt.-at-Arms. Bill and Jack Mehew and Ken Shaw are the new Trustees.

Other points of business at the meeting were the discussion of hall rental and the advisability of renting the games room in the basement. A new schedule of rates was drawn up and anyone interested in renting either the top hall, the games room or both may do so by contacting Bill Mehew.

The new officers do not take office until January 1st and are hoping to enlist the support of all veterans at that time to make 1956 a banner year for the Legion in Raymond.

Mr. and Mrs. Myron Holmes have recently returned from a trip to Chicago where they attended the funeral of their brother - in - law, Mr. Duncan Weaver.

Mr. Weaver who had been in ill health for some time was born and raised in Raymond where he taught school, played and taught the violin. Mr. Weaver was also a talented artist and after moving to Chicago some years ago, taught art in the schools there. He also did illustrations for children's books and has left many beautiful works of art. He was active in the L. D. S. church.

Left to mourn are his wife, the former Margaret Holmes, three children and one grand - child, his mother, Mrs. Meldrum of Magrath, his sister Lucille Larson of Raymond and three brothers, Jimmy of Lethbridge, Allan of Portland, and Frank of Toronto.

The Ladies Literary Society held their annual Christmas Party Friday November 9th when they entertained their husbands in the Raymond Legion Hall. Several of the members were unable to attend on account of illness. The committee in charge of arrangements included Florelle Palmer, Ella Hancock and Ruth Salmon.

The rooms were tastefully decorated in the cheery Christmas colors of red and green as were the tables with the addition of gay figures of Santa Claus, Bambi and the traditional evergreen tree and Christmas place cards.

About 28 people sat down to a delicious turkey dinner with all the trimmings. The catering was done by Alice Powelson and June West.

Fun and games were enjoyed at the tables with prizes for Bingo going to Norma Wood, Viola Wing and Leslie L. Palmer. The remainder of the evening was spent at the Rook Tables where delicious home - made candy and nuts were a special treat. Prizes for Rook were awarded to Lavern Anderson and Scott Salmon.

## Last Rites For George Fromm, Sr.

Funeral services for the late George Fromm, Sr., were held in the Stake House on Saturday, December 10, with a very large crowd in attendance.

The services were conducted by Bishop Murray Holt with the music under the direction of Eleanor Hudson with Dorothy Neilson at the organ.

The opening song by the choir was the beautiful hymn "O My Father". The invocation was by Elder Clarence Allred. The Frank Taylor Quartet sang "Crossing the Bar" after which Pres. J. Orvin Hicken spoke, giving a complete history of Mr. Fromm, and adding many beautiful scriptural quotations.

Beautifully rendered was "I'm A Pilgrim" by Joe McLean. Elder Melvin T. King gave a wonderful sermon on gospel doctrines and spoke of his high regard for the Fromm family.

Bishop Holt made the concluding remarks and the choir sang "I Need Thee Every Hour". Bishop Alma G. Evans gave the benediction and Elder John Smith offered the grave-side prayer.

Pallbearers were grandsons of Mr. Fromm's - David and Ralph Oler, Paul Schneider Jr., Donald, Roger and Dennis Fromm. Honorary pallbearers were friends of the family for whom Mr. Fromm had done missionary work and had also been instrumental in helping them to come to America. These were Karl Gehmlich, Dick Tycksen and William Buetner of Cardston.

A wire expressing sympathy was received from Salt Lake City from Mr. Fred Wendrichs, another of Mr. Fromm's early converts.

Mr. Fromm was born in Rodheim Germany in 1867 and married Margaret Sturmsels of Darmstadt, Germany in 1894. Later in 1907 when they joined the L. D. S. church, they became ostracised and almost friendless owing to the bitterness which was displayed against certain gospel faiths at that time.

To come to America, where they could worship as they chose, they sacrificed their many belongings and family treasures for fares for the family. They settled in Salt Lake City when in 1917 they met Paul Schneider Sr. who was on his way to fill an L. D. S. mission. Paul saw and remembered the oldest Fromm girl, Margaret, and when he returned from his mission he courted and married her. In 1919 the Fromm family came to Canada and have since resided in Raymond.

Left to mourn this good man are two daughters Margaret Schneider and Dora Oler of Raymond and three sons, Moses of Raymond, George Jr. of Salt Lake City and Hyrum of Minneapolis, Minnesota.

The Hag Club which consists of a number of High School girls, met at the home of Judy Strong recently for their usual night's entertainment. Games were played and T. V. held the girls' interest for the evening. A delicious lunch was served by the hostess.

Foster Hewitt doesn't need any introduction to Canadians. Enough to say that he's on hand once again to broadcast the National Hockey League games every Saturday night - a weekly assignment he's had since the Maple Leaf Gardens opened in 1931. Hewitt holds a world's record for length of service in broadcasting; he started in 1923 when he was eighteen, and shortly afterwards made the first broadcast of a hockey game in Canada. Ever since then he's been so closely associated with the game that he is as well known to hockey fans as any of its great players. While in college he was an undefeated boxing champion, and has written many books on hockey.

### WHEAT POOL ANNUAL MEETING

The thirty-third annual meeting of the seventy elected delegates of the Alberta Wheat Pool got underway in Calgary on Tuesday of this week. A net earning of \$1,333,278 was reported by A.T. Baker, general manager. This is much less than the previous year's surplus of \$2,448,106, mainly because of additional depreciation on new construction and a decline in terminal earnings as a result of a reduction of export shipments from the West Coast.

Handling of Alberta Pool Elevators country points amounted to 55,429,377 bushels, about 750,000 bushels less than in the previous year but still the fourth largest in the history of the organization. Close to 36 per cent of grain marketed in Alberta in the 1954 to 55 crop season went through Pool elevators.

An extensive building program was carried in the 1954-55 crop year with the number of Pool elevators increasing from 607 to 523. Eleven new elevators and 15 annexes were built and 7 elevators purchased, increasing capacity of the Pool country elevator system by 1.8 million bushels and bringing it to 37.3 million. In addition, a 2-million bushel extension is being added to the Pool's Vancouver terminal which will be ready to handle the 1956 crop.

During the year under review the Alberta Wheat Pool distributed \$2,216,347 in patronage dividends of which \$596,783 was in cash and \$1,619,564 in reserve credits. Reserve purchases during the year from members, amounted to \$704,344.

A total of 2,092 new members joined the Alberta Wheat Pool during 1954-55 bringing total membership - 48,813.

The Alberta Wheat Pool is entirely owned and controlled by the farm people of Alberta and adjacent areas of British Columbia. It has no shareholders and ownership lies with the reserves which have been accumulated by members through the patronage of Pool elevators.

### OPEN LETTER TO SANTA

At sweet sixteen I first began  
To ask you, Santa, for a man.  
At seventeen, you will recall,  
I wanted someone strong and tall.  
The Xmas when I reached eighteen,  
I fancied someone hard and lean.  
And then at nineteen, I was sure  
I'd fall for someone more mature.  
At twenty, I still thought I'd find  
Romance in someone with a mind.  
I retrogressed at twenty-one  
And found the college boys most fun.  
My viewpoint changed at twenty-two.  
I longed for someone who'd be true.  
I broke my heart at twenty-three  
And asked for someone kind to me.  
Then begged at base twenty-four  
For anyone who wouldn't bore.  
Now, Santa, that I'm twenty-five.  
Just send me someone who's alive.

The \$3,200,000 capital programme undertaken by the Canadian Western Natural Gas Company Limited for 1955 is nearing completion. It was announced in Calgary this week by R. C. McPherson, General Manager of the Gas Company.

Close to 6,000 services will be installed on the Company's system by the end of the year. Over 3,500 of these will be in the Calgary District alone - a Company record. This year's service line installations will bring the total number of customers served by Canadian Western to over 64,000, an increase of almost 10% over last year.

The Company's one and a half million dollar extension to the communities of Raymond, Magrath, Cardston, Stirling, Welling and Spring Coulee in southern Alberta added 1,700 new services. Here 59 miles of transmission line were laid, connecting with the Gas Company's 18" main line at Lethbridge and a compressor station was installed to handle the peak load requirements of the new extension. Approximately 40 miles of distribution mains were laid in these communities. The community of Coalhurst, North of Lethbridge was also served with natural gas.

Other significant construction work undertaken by the Company during the year included the laying of an 8" main across the Bow River adjacent to the Cushing Bridge in East Calgary. Over a mile of 16" main was laid in the Foothills city and another mile of 16" replacement pipe was installed at Caresholm. A section of 14" pipe crossing Sheep Creek was replaced this summer and work is presently progressing on another on another river crossing; a replacement line on the Old Man River just north of Lethbridge. Anticipating a shift in the river's course at this point, the Company is laying this new section of pipe in a trench 28 feet deep.

A summary of these and other projects undertaken during the shows that 70 miles of distribution pipe and 66 miles of transmission pipe have been added to the existing system.

This year saw the addition of several car phone radios to bring the total number of mobile FM transmitters operated by the Company to 32. This radio-equipped fleet is able to contact any of eight fixed stations located at various points on the Company's system.
